

# THE EDUCATION MINISTRY QUARTERLY NEWSLETTER

APRIL 2024

## Dear Parents,

The weather is warming up and flowers are blooming, marking the official arrival of Spring! It was truly a blessing to celebrate the resurrection of Christ together as a church, and we hope the kids enjoyed all the Easter festivities. As summer approaches, we are actively planning ways to effectively disciple the next generation, foster family engagement through fellowship, and equip our teacher volunteers. Please join us in praying for the Education Ministry as we seek God's guidance and provision.

We give all praise and glory to God for answering our prayers with the appointment of Pastor Jean as our youth pastor! Let us pray for Pastor Jean's impactful ministry in our Youth Group.

This summer, we will bid farewell to many fantastic teachers who have blessed this ministry with their servant leadership, as they embark on new chapters in life. While we say goodbye, we eagerly anticipate God's provision of additional helping hands for our ministry. May is Teachers Appreciation Month, so please take a moment to express gratitude to our teachers who pour their hearts into the lives of our children tirelessly. Thank you, teachers, for all that you do!

## UPCOMING EVENTS

### 6/9 Graduation Recognition

Join us in congratulating students graduating 5th, 8th, and 12th grade during announcements at our main worship service.

### Family Worship Month

Throughout July, our devoted volunteers will take a well-deserved break to recharge and refresh. We pray for blessings upon families as they worship together with their children.

### 8/23-8/25 Youth Retreat

Save the date! Our Youth Group will have its own Youth Retreat that coincides with our All-Church Retreat at Mt. Hermon Camp. More information to come.
